

## Our Wine

Our wine collection is a testament to both global discovery and local heritage, carefully curated with passion and precision from the finest vineyards around the world, as well as those just a stone's throw from our home here in Cornwall. We believe that exceptional wine starts with a deep understanding of the land, climate, and the unique character of each grape, which is why our team invests time in forming relationships with winemakers who share our philosophy of quality and sustainability.

Our selection process is both meticulous and inspired. We taste and evaluate each wine, considering not only its balance, depth, and complexity but also how it resonates with the natural bounty that surrounds us. Each bottle is chosen for its ability to express a sense of place and its potential to elevate the seasonal ingredients from our fields, farms, and waters.

Our crew of wine experts—enthusiasts who live and breathe the craft of pairing wine with food—are always here to help you find the perfect match. They bring with them extensive knowledge, not just of the wines we serve but also of the intricate interplay between flavour, texture, and aroma. Whether you're looking for something delicate to accompany a fresh catch from the Cornish coast or a bold vintage to complement the robust flavours of locally raised meat, our team is here to guide you with a genuine understanding of both wine and cuisine.

We believe that wine should be an experience—an exploration of taste that evolves with the seasons. That's why our collection is ever-changing, reflecting the shifts in the Cornish landscape. With each new season, we carefully handpick bottles that harmonize with the freshest ingredients, ensuring that every pour tells a story and every sip resonates with our commitment to quality.

Let us take you on a journey through our expertly curated selection. Speak with one of our crew to uncover the perfect pairing for your meal, and discover the delicate artistry of matching wine with the best Cornwall has to offer.
